

WELCOME!

We're so glad that you've chosen to worship with us this morning! If you're a guest, we'd love to know who you are...please fill out one of the cards in the chair in front of you and place it in the offering plate. We also invite you to pick up a ministry brochure from the Welcome Center in the foyer where they will try to answer any questions that you may have about BBC Ministries.

All women out of High School here today are invited to receive a gift at the Welcome Center after the service. Thank you for how you care for each other and the family of God! You are loved & appreciated. ~The Care Committee

"Israel's Mission", from *That the World May Know* video series begins next week, **May 19 at 9:15am (no class May 26) and then resuming on June 2 at 8:45am** meeting weekly through June 23. Summary: "As they stood at the foot of Mount Sinai, the Israelites not only agreed to partner with God by worshipping Him as king, they also took on a mission: become a kingdom of priests in a prodigal world. This had been God's plan for His people from the time He called Abraham out of Ur, a mission that would forever characterize Abraham's descendants and one which Jesus would renew with His own ministry. Follow the rabbi through Israel and Jordan, scaling mountains in the Sinai and exploring the ancient cities of the Decapolis as you unpack what it means to be a kingdom of priests today." Meet in Room #106. Stay tuned for details on the next series starting June 30: "Cultures in Conflict".
