*We're excited to have you join us as a guest! As a first time guest, this completed form will do! We'd love to have you join our church family and be part of what God is doing here at BBC. Included in your folder is a formal BBC Kids registration form to complete and return, if you plan to return regularly or want to make BBC your home church.

Policies and Procedures

Check-In & Dismissal

Make sure your child has gone through the official check-in process before dropping him or her off with our BBC Kids program. You should receive an ID sticker for children birth through 5th grade which will be matched at pick up.

Restrooms

Volunteers will never go into the bathroom alone with your child. If your child needs help, two volunteers will assist your child, if possible.

Diaper Changing Policies

Volunteers are trained to wear gloves and sanitize the changing area. Other adults are around during the process and will let you know that your child has been changed.

Discipline

If your child is having trouble following the guidelines that have been put in place, the volunteers will first try directing the child's behavior. If that doesn't work, the director will be contacted so that he or she can handle the situation apart from your child's class.

Incident Report

If a child is injured in a classroom, we ask that the volunteers let their director know exactly what happened. We then take a full incident report and communicate the injury clearly to parents.

First Aid Kits

First aid kits are readily available to our volunteers and placed throughout the children's ministry environments.

Fire Evacuation Plan

Our church has an emergency evacuation plan in place. In case of an emergency, our leaders will execute the emergency evacuation plan and lead the children to safety.

Lost Child Procedure

Should your child get lost after he or she has been dropped off, the environment will be shut down and no one will be allowed to enter or exit until your child has been found.

Toy Cleaning

We either fog the room or spray each toy with antibacterial spray and let them all air dry after all of the children have left.

Allergies

Please communicate any allergies your child may have to the volunteers working with your child.

Sickness Policy

We ask that a child be sickness and fever free for at least 24 hours before entering our BBC Kids environments.

Children are a gift from God, they are His reward. ~ Psalm 127:3

Hey Parents!

You and your kids matter to us . . . A LOT! That's why we want to stay connected with you. Here are 3 ways you can help:

1

Check Your Email

Make sure we have your correct email address. We will keep you updated on everything from what your kid is learning at church to any special events coming up. You can always email our BBC Kids Director at amy.drehmel@beckerbaptist.org

2

Follow Us on Social Media

Stay in the loop and get cues to help you do family better. Facebook: www.facebook.com/BBCKidsMN or Instagram: www.instagram.com/bbc_kidsmn

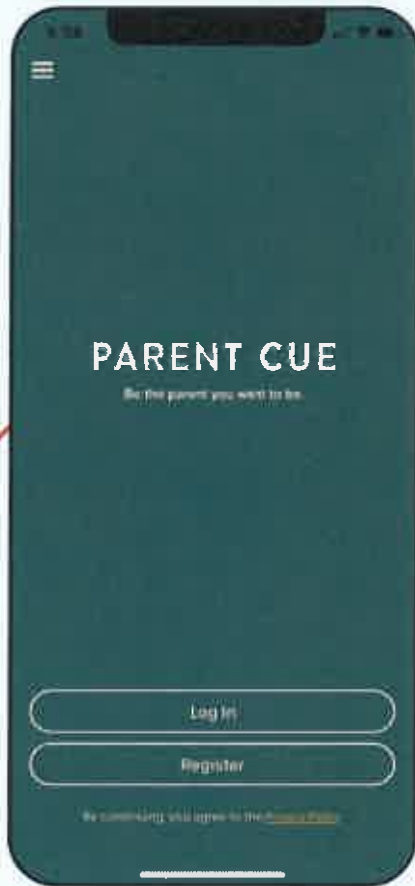

3

Meet Our BBC Kids Director & Teachers

These are the people investing in your kid each week, and they want to get to know you! Be sure to exchange contact information with them.

"Children are not the church of tomorrow. . . they are the church of today."

Download the Parent Cue App

The Parent Cue App is designed to help every parent do something each week to help move their child toward a deeper faith and a better future.

Introducing Cues

As a parent, some of the most important things you do for your child don't happen in a single day. You make small deposits in their life week after week—over time.

That's why the Parent Cue App gives weekly cues to help you make the most of the time you spend with your kid or teenager.

Easy encouragements to help your child start their day.

Great reminders for ways to end the day on a great note.

When you need something meaningful to talk about on the way to soccer practice.

Timely help for those moments that take you by surprise.

Conversation starters as you grab tacos in the drive thru or burgers around the table.
