

# FAITH-BASED APPS FOR KIDS & FAMILIES

Click each app name below to learn more and download!

[Bible App for Kids](#) - (ages 5-9) A great app for kids to read the Bible and interact with Bible stories.

[YouVersion Bible + the Kids Bible Experience](#) - (ages 7-11) Did you know the YouVersion Bible App has a special Kids Bible Experience for preteens? Find it on the home page!

[Minno](#) - (ages 3-12) A video streaming service with faith-based shows for kids. Subscription required.

[Verses](#) - (ages 8+) A Bible memory verse app to help you practice and track your progress.

[Lectio for Families](#) - (ages 5+) A family devotional (reading or audible) based on the ancient practice of lectio divina.

[Parent Cue](#) - (parents) An app designed for parents to help raise kids with faith and character.

[Bible Coloring](#) - (ages 3+) Simple Bible story coloring pages.

[God For Kids](#) - (ages 5-12) This app teaches kids about God and His character. It has 31 interactive, child-centered devotions to spark discussions about God, Jesus, and the Holy Spirit.

[Noah's Bible Memory](#) - (ages 7-12) A Bible memory verse game with 25 different Bible verses to learn through increasingly-difficult levels.

[Guardians of Ancora](#) - (ages 8-12) A true game, this app invites kids to collect missing items, explore the world, and learn about people in the Bible along the way.

[SunScool](#) - (ages 5-12) Bible study app for kids that encourages them to memorize scripture, listen to Bible stories read to them, and interact with Bible characters.

[Jesus Loves Me](#) - (ages 2-4) Simple Bible songs, memory game, and short Scripture videos for the littlest ones in your family.

[Bible Word Puzzle](#) - (ages 8+) Kids read through the Bible and develop language skills by finding words in a random group of letters.

[Play the Bible Word Match](#) - (ages 8+) Kids learn as they play in this game where they must choose the right word to complete each Bible verse.

[Superbook Kids Bible](#) - (ages 7+) A media-rich experience that helps bring the Bible to life with videos and images as well as engaging interactive games.

As always, check these out for yourself before sharing them with your kids! Note: Some apps may include ads or in-app purchases.
